Accounting

- Accounts Receivable: This data type includes the following information:
  - Invoice number
  - Customer name
  - Customer address
  - Due date
  - Amount owed
- Accounts Payable: This data type includes the following information:
  - Vendor name
  - Vendor address
  - Invoice number
  - Due date
  - Amount owed
- General Ledger: This data type includes the following information:
  - Account number
  - Account name
  - Debit amount
  - Credit amount
  - Date
- Customer Service
- Customer Contact Information: This data type includes the following information:
  - Customer name
  - Customer address
  - Customer phone number
  - Customer email address
- Purchase History: This data type includes the following information:
  - Customer name
  - Product name
  - Quantity purchased
  - Date of purchase
  - Purchase price

- Service Requests: This data type includes the following information:
  - Customer name
  - Product name
  - Problem description
  - Date of service request
  - Status of service request

Human Resources

- Employee Contact Information: This data type includes the following information:
  - Employee name
  - Employee address
  - Employee phone number
  - Employee email address
- Job History: This data type includes the following information:
  - Employee name
  - Job title
  - Start date
  - End date
- Performance Reviews: This data type includes the following information:
  - Employee name
  - Supervisor name
  - Review period
  - Overall rating
  - Strengths
  - Areas for improvement

Inventory

- Inventory Levels: This data type includes the following information:
  - Product name
  - Warehouse location
  - Quantity on hand
  - Quantity on order
  - Quantity on backorder

- Product Data: This data type includes the following information:
  - Product name
  - Product description
  - Product price
  - Product SKU
  - Product weight
  - Product dimensions
- Purchase Orders: This data type includes the following information:
  - Vendor name
  - Product name
  - Quantity ordered
  - Unit price
  - Total order amount
  - Order date
  - Shipping date

Manufacturing

- Production Schedules: This data type includes the following information:
  - Product name
  - Start date
  - End date
  - Target quantity
  - Actual quantity
- Bill of Materials: This data type includes the following information:
  - Product name
  - Component name
  - Quantity needed
  - Unit price
- Work Orders: This data type includes the following information:
  - Employee name
  - Product name
  - Start date
  - End date

- ○ Actual quantity
- ○ Time worked

Marketing

- Leads: This data type includes the following information:
  - ○ Lead name
  - ○ Lead contact information
  - ○ Lead source
  - ○ Lead status
- Opportunities: This data type includes the following information:
  - ○ Opportunity name
  - ○ Opportunity value
  - ○ Opportunity close date
  - ○ Opportunity status
- Sales Data: This data type includes the following information:
  - ○ Customer name
  - ○ Product name
  - ○ Quantity sold
  - ○ Unit price
  - ○ Total sales amount
  - ○ Sale date

Sales

- Customer Contact Information: This data type includes the following information:
  - ○ Customer name
  - ○ Customer address
  - ○ Customer phone number
  - ○ Customer email address
- Sales Orders: This data type includes the following information:
  - ○ Customer name
  - ○ Product name
  - ○ Quantity ordered

- ○ Unit price
- ○ Total order amount
- ○ Order date
- ○ Shipping date
- Invoices: This data type includes the following information:
  - ○ Customer name
  - ○ Product name
  - ○ Quantity sold
  - ○ Unit price
  - ○ Total sales amount
  - ○ Invoice date
  - ○ Due date

Shipping

- Shipping Information: This data type includes the following information:
  - ○ Customer name
  - ○ Customer address
  - ○ Shipping method
  - ○ Tracking number
- Tracking Numbers: This data type includes the following information:
  - ○ Tracking number
  - ○ Package weight
  - ○ Package dimensions
  - ○ Shipping carrier
  - ○ Shipping date
- Delivery Confirmations: This data type includes the following information:
  - ○ Customer name
  - ○ Tracking number
  - ○ Delivery date
  - ○ Signature
